

Building Tracks: Implications for Existing and Proposed Trails

Robert McCarthy, CIC

President, McCarthy Rail
Insurance Managers, Inc.

Building Tracks: Implications for Existing and Proposed Trails

- They want to do what!?!?

- What would Operation Lifesaver Say?

- Where is the question for this on my Railroad Liability Application?

Building Tracks: Implications for Existing and Proposed Trails

- Will my Railroad Liability premium go up?

- Very limited insurance market – Arch, Essex, Gemini, Lexington, Liberty, XL, Zurich

Building Tracks: Implications for Existing and Proposed Trails

- If they hold me harmless or if I have immunity, what about Defense Costs?
- How much is my Self Insured Retention, and does it apply to Defense Costs?
